

# NATIONAL ENVIRONMENTAL POLICY ACT

## Draft Environmental Assessment/Overseas Environmental Assessment (EA/OEA) for Red Hill Defueling and Fuel Relocation

### National Environmental Policy Act (NEPA) Process

- Enacted in 1969, NEPA requires all federal agencies to evaluate potential environmental impacts of any major actions they may propose and to inform and involve the public in the decision-making process.
- Your comments submitted on the Draft EA/OEA will become part of the public record and will be addressed in the Final EA/OEA.
- The Final EA/OEA and decision document will be released to the public.

### Ways to Participate

Your input is essential to ensure the most informed decision is made.

You are encouraged to participate in several ways:

- Review the Draft EA/OEA
- Attend the Public Meeting on June 15, 2023
- Provide comments
- Check the Joint Task Force-Red Hill website for updates on the Final EA/OEA

### How to Provide Comments on the Draft EA/OEA

Provide comments during the public comment period between June 9 – June 30, 2023 via:

- Website
- Mail written correspondence
- Written or verbal recording at the Public Meeting

Comments must be postmarked or received online by **June 30, 2023** for consideration in the Final EA/OEA.
